

ASBESTOS

Do you:

- ❖ **Support a fully equipped specialist Cancer Unit in Gippsland with Radiotherapy?**
- ❖ **Support early detection of asbestos related health problems?**
- ❖ **Support access to equipment to alleviate suffering?**
- ❖ **Support specialised care facilities for those affected by asbestos & their families?**

If so, sign this petition now!

“To improve the quality of life of people, and their families, who have been exposed to and affected by asbestos, and reduce the risk to future generations”...GARDS INC.

Please return to The Secretary, Gippsland Asbestos Related Diseases Support Inc. GARDS INC. PO Box 111, MOE. 3825 (telephone 51281218) by Tuesday 9th of September, 2003.

Your information will be protected by GARDS INC. and will only be used to contact you in relation to this matter.

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE LEGISLATIVE
ASSEMBLY IN PARLIAMENT ASSEMBLED:**

The humble petition of
Gippsland Asbestos Related Diseases Support Inc. (G.A.R.D.S INC.) sheweth

We the undersigned citizens of the State of Victoria are concerned about the high incidence of asbestos related disease in the Gippsland area and that it has not been addressed with the proper medical facilities

Your petitioners therefore pray that

The Legislative Assembly find its way clear to address this problem by providing forthwith

1. A specialist Cancer Unit fully equipped (Radiotherapy facilities)
2. Equipment to provide effective early detection of asbestos related health problems (High resolution CT – scan facilities)
3. Specialist Respite, Hospice and Palliative care facilities to assist those affected by asbestos and their families
4. Equipment to alleviate the health problems of those suffering from asbestos related disease (Improved access to oxygen concentrators and any associated medical equipment)

And your petitioners, as in duty bound, will ever pray for the health and well being of all Victorians.
